CERTIFIED TECHNICAL TRAINER (CTT+)

CompTIA Certified Technical Trainer (CTT+) certification e-course is a cross-industry credential providing recognition that an instructor has attained a standard of excellence in the training industry. CTT+ is the most essential program for all training professionals and can be applied to technical and non-technical training. The CTT+ certification course ensures that the course seeker learns about class teaching and become an expert. The major tasks involve preparation, facilitation, and physical or virtual classroom evaluation.
